\*Caseload data extracted from the United States Attorneys' Case Management System.

\*\*Includes any and all criminal cases where 18 U.S.C. 922 or 924 was brought as any charge against a defendant. However, both statutes were run together to eliminate any double counting of cases/defendants when more than one subsection of Section 922 or 924 was charged against the same defendant, or both Sections 922 and 924 were charged against the same defendant.

\*\*\*FY 2006 numbers are actual data through the end of September 2006.

\*Caseload data extracted from the United States Attorneys' Case Management System.

\*\*For FYs 1992-2003, Violent Crime included the following categories: Firearms, Violent Crime in Indian Country, and Other Violent Crime. Other violent crime included cases with a lead charge of Violent Crime which would otherwise fall into another program category. Also, those drug and organized crime cases classified under the Violent Crime program category were included.

Beginning in FY 2004, Violent Crime includes those cases classified under the following program category codes: Firearms (053); Bank Robbery (083);

Domestic Violence (091); Violent Crime in Indian Country (092); and All Other Violent Crime (093).

\*\*\*FY 2006 numbers are actual data through the end of September 2006.

\*Caseload data extracted from the United States Attorneys' Case Management System.

\*\*Includes any and all criminal cases where 18 U.S.C. 922 or 924 was brought as any charge against a defendant. However, both statutes were run together to eliminate any double counting of cases/defendants when more than one subsection of Section 922 or 924 was charged against the same defendant, or both Sections 922 and 924 were charged against the same defendant.

\*\*\*FY 2006 numbers are actual data through the end of September 2006.

\*Caseload data extracted from the United States Attorneys' Case Management System.

\*\*For FYs 1992-2003, Violent Crime included the following categories: Firearms, Violent Crime in Indian Country, and Other Violent Crime. Other violent crime included cases with a lead charge of Violent Crime which would otherwise fall into another program category. Also, those drug and organized crime cases classified under the Violent Crime program category were included.

Beginning in FY 2004, Violent Crime includes those cases classified under the following program category codes: Firearms (D53); Bank Robbery (D83); Domestic Violence (091); Violent Crime in Indian Country (092); and All Other Violent Crime (093).

\*\*\*FY 2006 numbers are actual data through the end of September 2006.

\*Caseload data extracted from the United States Attorneys' Case Management System.

26-Jan-07

\*\*For FYs 1993-2003, this chart summarizes the following categories: OCDETF, Non-OCDETF Drug Dealing, Drug Possession, and those drug cases classified under the Government/Regulatory/

Money Laundering program category, and those drug cases EOUSA reclassified as Violent Crime. Beginning in FY 2004, this chart no longer includes those cases EOUSA reclassified as Violent Crime.

\*\*\*FY 2006 numbers are actual data through the end of September 2006.

\*Caseload data extracted from the United States Attorneys' Case Management System.

26-Jan-07

\*\*For FYs 1993-2003, this chart summarizes the following categories: OCDETF, Non-OCDETF Drug Dealing, Drug Possession, and those drug cases classified under the Government/Regulatory/

Money Laundering program category, and those drug cases EOUSA reclassified as Violent Crime. Beginning in FY 2004, this chart no longer includes those cases EOUSA reclassified as Violent Crime.

\*\*\*FY 2006 numbers are actual data through the end of September 2006.
